## OBJECTIVE STATEMENT

Civil Engineer/Assistant Project Manager with 10+ years of experience in construction supervision and project management of large-scale infrastructure and transportation projects across Saudi Arabia and Jordan. Experienced in pavement works, subgrade preparation, drainage, utilities, QA/QC, and construction supervision in compliance with international standards. Currently working with Parsons (PMC), supporting site execution, technical coordination, and quality assurance on major infrastructure projects. Strong background in contractor coordination, design review, constructability, and site management.

## WORK EXPERIENCE

### ASSISTANT PROJECT MANAGER - CIVIL. RIYADH, SAUDI ARABIA.

Apr 2025 - Jan 2026

#### PARSONS CORPORATION

1. Support construction supervision and site execution of civil works, ensuring compliance with approved drawings, specifications, and quality standards.
2. Coordinate with contractors, consultants, and stakeholders to resolve technical and site-related issues.
3. Review method statements, material submittals, inspection test plans (ITPs), and technical queries.
4. Monitor site progress, construction sequencing, and interfaces between civil works, utilities, and other disciplines.
5. Support QA/QC activities, site inspections, and documentation, including reports, meeting minutes, and as-built records.
6. Assist in ensuring compliance with HSE requirements and client regulatory standards.

### PROCUREMENT, CONTRACTS, & CONSTRUCTION MANAGER. AL-ULA, SAUDI ARABIA.

March 2023 - Feb 2025

#### ARROW SPECIALIZED CONTRACTING COMPANY

1. Managed and supervised road, pavement, and infrastructure works, including earthworks, subgrade preparation, base courses, and asphalt works.
2. Led construction activities, ensuring compliance with specifications, quality requirements, and safety standards.
3. Coordinated excavation, material screening, and earthworks for major infrastructure corridors supporting NEOM—The Line, The Spine, and Connector Rail.
4. Achieved early project completion through effective site coordination and construction planning.

### CONSTRUCTION MANAGER. PETRA, JORDAN.

November 2022 - March 2023

#### KAHTAN HADDADIN & PARTNERS LTD.

1. Oversaw all civil and infrastructure works for a 2300 m<sup>2</sup> reinforced concrete building.
2. Successfully supervised the landscaping of a 4000 m<sup>2</sup> surrounding area, enhancing the site's aesthetic appeal.
3. Delivered the project within 5% of the projected budget,

optimizing resource allocation and cost management.

#### ROADS ENGINEER. MA'AN, JORDAN.

April 2022 - November 2022

#### DAR AL-HANDASAH SHAIR & PARTNERS CO

1. Conducted construction supervision for highway pavement rehabilitation, covering asphalt works, subgrade treatment, and quality control testing.
2. Reviewed field and laboratory testing results, including density, asphalt properties, and material approvals.
3. Enforced quality assurance and quality control (QA/QC) systems to minimize defects and non-conformances.
4. Audited contractor measurements, invoices, and progress documentation.

#### SITE ENGINEER. AL-KARAK, JORDAN.

Jan 2021 - Feb 2022

#### AL-OROBAH FOR CRUSHERS & CONTRACTS

1. Managed the construction of the service road for the Arab Potash Company, ensuring compliance with safety standards.
2. Coordinated with stakeholders to resolve site issues, leading to a 25% reduction in project delays.

#### CIVIL ENGINEER-INSPECTOR. AMMAN, JORDAN

Oct 2015 - Oct 2020

#### CONSOLIDATED CONSULTANTS GROUP

1. Supervised and inspected road and pavement reconstruction works, ensuring compliance with drawings and technical specifications.
2. Conducted site inspections, monitored workmanship, and verified quantities.
3. Implemented inspection and quality control procedures.
4. Prepared inspection reports, punch lists, and compliance documentation.

#### TRAINEE ENGINEER. AL-BALQA', JORDAN

May 2015 - Aug 2015

#### AL-SHOANI GENERAL CONTRACTING

Training in reading the drawings and training on their implementation.

#### TRAINEE ENGINEER. AMMAN, JORDAN

Feb 2015 - May 2015

#### GREATER AMMAN MUNICIPALITY

Training in reading the drawings and training on their implementation.

## EDUCATION

---

MASTER'S STUDIES (IN PROGRESS),  
INTELLIGENT TRANSPORTATION  
SYSTEMS (ITS).

Expected 2026

#### AL-AHLYIYA AMMAN UNIVERSITY/FACULTY OF ENGINEERING

Excellent grading.

BACHELOR'S DEGREE, CIVIL ENGINEERING  
(CONSTRUCTION & BRIDGE).

2015

#### AL-BALQA' APPLIED UNIVERSITY/FACULTY OF ENGINEERING TECHNOLOGY

Good grading.

## SKILLS

---

Pavement Works

## TRAINING COURSES

---

Highway Design and Quantity  
Surveying/AutoCAD Civil 3D 2012 (Levels 1 &  
2), conducted by the Jordan Engineers

Subgrade Preparation & Earthworks

Asphalt & Concrete Works

Construction Supervision & Site Inspection

QA/QC Procedures & ITPs

Civil Design Review & Constructability

Utilities & Drainage Coordination

HSE Compliance & Site Safety

Method Statements & NCR Management

AutoCAD

Civil 3D

MS Office

Association.

2014

Engineering Scheme Analysis by the Jordan Engineers Association.

2014

Project Management, Primavera VI (Level 1), conducted by the Jordan Engineers Association.

2015

Construction Supervision Training Program conducted by Jordan Engineers Association with the Swiss Agency for Development and Cooperation.

2016

Evaluation of Asphalt Pavement Performance using Pavement Condition Index (PCI) Micro PAVER conducted by Jordan Engineers Association with the Swiss Agency for Development and Cooperation.

2017
